

# ***Riding Rock Resort, San Sal - Bahamas***

***Perched on a pinnacle and washed by warm breezes and clear azure waters, San Salvador is one of the undisputedly premier scuba diving destinations in the world.***

**November 6 to 13, 2021** (Rescheduled from Apr. 25, 2020 /Oct. 17, 2020 /March 20, 2021)

Riding Rock Resort and Marina is one of only two resorts located on the scenic San Salvador oceanfront. Built, owned and operated by the William's family since the 1960's, the resort is and always has been dedicated to the comfort and convenience of water sports enthusiasts. All rooms are air conditioned and offer cable TV, telephone, private bath, porch or balcony, outside drying hooks, tile floors and daily housekeeping. Beach towels are available at the resort laundry facility or at the dive shop. The resort also features a freshwater swimming pool, and access to a breathtaking white sand beach.

Especially popular is our restaurant specializing in American and Bahamian cuisine with an accent on fresh fish and the Driftwood Lounge. Both provide a friendly, casual atmosphere for the food and drinks and a magnificent ocean view. Breakfast is served from 7:30 am to 9:00 am. Fresh fruit, cereal, French toast, pancakes, bacon and sausage are served to order or buffet style. Lunch is served from 12:30 pm to 2:00 pm. Conch chowder and fresh Bahamian bread are served daily. Your choice of a meat or fish dish or a buffet style meal is prepared. Cracked conch, grouper fingers, steamed conch, pizza and baked chicken are some of the selections. Dinner is served from 6:30 pm to 8:30 pm. A garden salad and soup are served with each entree. Your choice of meat or fish dish is prepared or a buffet style meal. Grilled dolphin, roast beef, steamed grouper, stuffed chicken breast and steak are some of the selections.

Most dive sites are only 5-15 minutes away aboard their fast and spacious dive boats. Some of the major attractions are friendly groupers, dramatic vertical walls beginning in as little as 40', shallow reefs teaming with abundant friendly marine life, passing hammerheads, and big coral cave and tunnel formations. San Salvador is a sparsely populated tropical paradise located in the southeastern Bahamas. At just 12 miles long by 5 miles wide, the Island is an exposed peak of a submerged mountain plunging 15,000 feet to the sea floor below and rimmed by scenic rocky shoreline, powdery white sand beaches and warm crystalline waters.
